Garmin eTrex 22x Rugged Handheld GPS

Explore Confidently with Reliable Navigation

The Garmin eTrex 22x is a rugged, versatile handheld GPS device designed for outdoor enthusiasts. Its compact design, preloaded maps, and support for multiple satellite systems make it ideal for activities like hiking, cycling, ATV adventures, and boating.

Key Features

1. Enhanced Display
 - 2.2" sunlight-readable color display with 240 x 320 resolution for excellent visibility.
 - Durable and water-resistant (IPX7-rated), ensuring reliability in various environments.
2. Preloaded TopoActive Maps
 - Includes routable maps featuring roads and trails for outdoor adventures.
 - Displays natural features, waterways, buildings, international boundaries, and more.

- Thousands of searchable points of interest such as parks, campgrounds, restaurants, and accommodations.

3. Dual Satellite System Support

- Tracks with both GPS and GLONASS, ensuring better performance in challenging terrains.

4. Customizability and Flexibility

- 8 GB internal memory with expandable storage (up to 32 GB microSD™).
- Wide compatibility with mounts for ATVs, bicycles, motorcycles, boats, or on-foot use.

5. Navigation and Fun

- Supports paperless geocaching, enabling you to upload and view GPX files from Geocaching.com.
- Features for outdoor recreation, including point-to-point navigation, area calculation, and sun/moon information.
